

To Whom It May Concern,

The Philo Project is an organization dedicated to creating a new community of Christian leaders from across the global Church who understand their Hebraic origins in Jerusalem and seek a Near East based on freedom and rule of law.

Our newest leadership program, [Pathfinder](#), encourages Christians to explore the roots of their faith and the dynamics/religions of the Near East. As a part of this process, we are challenging participants to visit religious institutions outside of their own traditions to deepen their understanding of the region and make meaningful connections. Today, a participant is reaching out to you to do just that.

We appreciate your consideration, and we hope that this will serve as a positive experience for not only the participant, but your community as well. If you have any questions about the program, please feel free to reach out to me.

Warm Regards,

Shannon Walsh | Associate Director of Research and Education | shannon@philosproject.org
